Good Afternoon Sir,

Unfortunately, Jon Mitchell is a common name and therefore there are too many to determine which one is the Jon

Mitchell they are requesting information on. Can you please reach back to (b) (3) (B), (b) (6) to gather more information on the individual such as the DOB or Last 4.

Subject: FOIA Request

(b) (3) (B), (b) (6),

We received a FOIA request from a requester, Jon Mitchell, can you gather the requested documents for a response and let me know if there are any exceptions you believe should apply under FOIA or the Privacy Act, or if any info is law enforcement sensitive.

The request is as follows:

"To Whom It May Concern:

This is a request under the Freedom of Information Act. I am seeking all records related to journalist Jon Mitchell created or disseminated by the Provost Marshal's Office of Marine Corps Base Camp Smedley D. Butler, included but not limited to emails, profiles, files, records, reports, databases, memos and photographs such as the one of Jon Mitchell displayed at Camp Foster's Base Pass Office. You may limit your search from 1 January 2015 to the present.

I am making this request as a representative of the media - Okinawa Times - who has written extensively about the US military in Japan. Moreover as the subject of this request, the release of these documents will not invade anybody's privacy.

I am requesting a fee waiver (see below) and I would prefer the request filled electronically, by e-mail attachment if available or CD-ROM if not.

Thank you in advance for your anticipated cooperation in this matter. I look forward to receiving your response to this request within 20 business days, as the statute requires.

Sincerely,
Jon Mitchell"
